

Washington,
Jan. 19, 1862

¹⁰

Dear Sir

I send you
with this my speech made
in the House on the 14th.
Of course I would
be glad to have your
publication in your
paper if you will
do me the honor to read
it & should think it
worthy & a fit document
for the crisis. I wish to
give it the widest cir-
culation possible.

Very truly Yours
Geo. W. Julian

Mr Lloyd Garrison }
